

## CONTENTS

### Section 1 – Cultivation technology: cereals, legumes and technical plants

<b>BADESCU H., SALCEANU C.</b> - <i>The genetic capitalization of some maize inbred lines extracted from different germplasm sources</i> .....	3
<b>BADESCU H., SALCEANU C.</b> - <i>The variability of some characters and features with a few inbred maize lines in the conditions of central Oltenia</i> .....	7
<b>BANGA Delia, ARDELEAN M., DUDA M., VARBAN D.</b> - <i>Phenotypical variability of several important characters at seven Echinacea purpurea cultivars tested in collection field of USAVM Cluj Napoca</i> .....	14
<b>BÎTE M., BORCEAN I.</b> - <i>Researches regarding the influence of fertilization on the yield and on the oil content of the sunflower</i> .....	15
<b>BÎTE M., BORCEAN I.</b> - <i>The results of the comparative sunflower hybrid crops obtained during the experimental cycle 2005-2007</i> .....	19
<b>BOGHICI OFELIA NICOLETA, PĂUNESCU GABRIELA</b> - <i>Variation of drought stress index at winter wheat cultivars in central part of Oltenia</i> .....	23
<b>BOTOȘ L., POP GEORGETA, TABĂRĂ V., POP D. A.</b> - <i>On the behaviour of some oil rape cultivars from the point of view of production quality in the soil and climate conditions of the SDE Timisoara</i> .....	29
<b>BUNTA GHEORGHE</b> - <i>Preliminary results regarding the breeding of some sunflower hybrids for biodiesel</i> .....	33
<b>CANDRÁKOVÁ EVA, SZOMBATHOVÁ N.</b> - <i>The reaction of soybean to stress factors</i> .....	39
<b>CANDRÁKOVÁ EVA, POSPIŠIL R.</b> - <i>Yield and energy balance of different growing systems of common peas</i> .....	45
<b>CHIOREANU C., BORCEAN I.</b> - <i>The behaviour of the Pioneer maize hybrids in the region of the cambic chernozem from Valea lui Mihai and of the mollic proluvial soil of the Biharia territory</i> .....	51
<b>CHIOREANU C., BORCEAN I.</b> - <i>The results of comparative cultures with maize hybrids in the region of carbonate alluvial soil from the western part of the country</i> .....	55
<b>DANALACHE CRISTINA, IFRIM S., (DONTU) BOTNAR GEANINA, AIRINEI C. I.</b> - <i>The influence of fertilization and plant density on achene and oil production, within some sunflower hybrids in the ecological conditions of Jijia plair</i> .....	59
<b>DAVID GH., BORCEAN A., NIȚĂ SIMONA</b> - <i>Grain Sorghum – perspectives of expanding its cultivation in Southern Banat area</i> .....	63
<b>(DONTU) BOTNAR GEANINA DIANA, DANALACHE CRISTINA</b> - <i>Research regarding the influence of biological and technological factors, concerning production and quality of potato, in the ecological conditions of the Moldavian plain, for sustainable agriculture</i> .....	67
<b>DUDA MARCEL, VÂRBAN DAN, IMBREA ILINCA MERIMA, MUNTEAN SORIN</b> - <i>Assessing quantity and quality of some marigold cultivars (Tagetes sp.) cultivated at Cluj-Napoca (Cluj county)</i> .....	71
<b>IAGĂRU POMPILICA, CIORTEA GLIGOR, IAGĂRU ROMULUS</b> - <i>The sustainable development of the hill and mountain area by valorisation of the agroecological resources in the management of seed potatoes production and multiplication, in accordance with the European Union standards</i> .....	75
<b>IFRIM SÂNDEL, DANALACHE CRISTINA</b> - <i>Research concerning the influence of the fertilization and sowing density on the production of some varieties of spring barley in ecological conditions in the Baragan Plain</i> .....	81
<b>IFRIM SIMONA ELENA, MUREȘAN E., HAȘ I.</b> - <i>The variability of the characters of the production and the quality to an assortment of soybean Glycine max (L.) varieties and early line at S.C.D.A. Turda collection</i> .....	87

<b>ION VIOREL, ION NICOLETA, ȘTEFAN VICTOR, COMAN RĂZVAN</b> - <i>Researches regarding the melliferous characteristics of the sunflower hybrids, as necessary elements for leading the pollination activity by the help of melliferous bees</i> .....	93
<b>IVAN ILARIE, MARIASIU F.</b> - <i>Study about the possibilities of increasing the rapeseed cultivated land potential in Romania</i> .....	99
<b>JELIĆ MIODRAG, ĐALOVIC IVICA, DUGALIĆ GORAN</b> - <i>Wheat response to applied phosphorus on acid vertisol</i> .....	103
<b>MACÁK MILAN, SZOMBATHOVÁ N., ŽÁK Š., HANÁČKOVÁ E.</b> - <i>Yield componets of spring barley as affected by different farming systems</i> .....	107
<b>TABĂRĂ (MAIOR) IULIANA, TABĂRĂ V.</b> - <i>On the behavior of some national and foreign cultivars of chamomile in the conditions of S.D.E. Timișoara</i> .....	113
<b>MANOUSELIS NIKOS, TSILIBARIS XENOPHON, ROMAN GHEORGHE VALENTIN, TOADER MARIA, EPURE LENUTA IULIANA</b> - <i>ORGANIC.EDUNET – a European project that aims to raise awareness about organic agriculture and agroecology in Agricultural Universities</i> .....	117
<b>MATEI GHEORGHE, PETRESCU EUGEN, ROȘCULETE CĂTĂLIN</b> - <i>Research regarding the influence of the NPK fertilization to the cultural hygiene at the winter wheat cultivated in the Caracal Plain</i> .....	123
<b>MATEI GHEORGHE, PAUNESCU GABRIELA, IMBREA FLORIN</b> - <i>The rotation and fertilisation – important shackle into increase the yield at the winter wheat cultivated on the luvisoil from SCDA Șimnic Craiova</i> .....	127
<b>MICU D.C., BORCEAN I.</b> - <i>The influence of fertilization with variable doses of nitrogen fertilizers applied on a constant phosphorous and potassium fond on the yield and on the oil content of the winter rape</i> .....	133
<b>MICU D.C., BORCEAN I.</b> - <i>Researches regarding winter wheat fertilization in the region of salted soils</i> .....	137
<b>NIȚĂ SIMONA, BORCEAN A.</b> - <i>Research on the behaviour of winter oats in Southern Banat</i> .....	141
<b>OLTEANU GEORGIANA, TABĂRĂ VALERIU</b> - <i>Quality indices of the Triticum durum (the pandur cultivar) under the impact of density and agri-fund</i> .....	145
<b>PANAITESCU LILIANA</b> - <i>The influence of irrigation and nitrogen fertilizers on the autumn wheat production in Dobrogea conditions</i> .....	151
<b>PANAITESCU LILIANA</b> - <i>Contributions regarding the promotion of technological itineraries in rape culture in the context of applying sustainable agriculture in the Dobrogea Plateau</i> .....	155
<b>PETRESCU E., MATEI GH., ROȘCULETE C.</b> - <i>Irrigation implications on the soybean crop in the pedoclimatic conditions of the Caracal Plain</i> .....	161
<b>PÎRȘAN PAUL, IMBREA FLORIN, BOTOȘ LUCIAN, GROS DANIEL</b> - <i>Impact of fertilisation and of row distance on soy production in the soil and climate conditions of the Western Plain (Romania)</i> .....	165
<b>POPA A.</b> - <i>Studies concerning the impact of fertilisation on protein and oil content in a soy cultivar assortment</i> .....	169
<b>POPA D., BORCEAN I.</b> - <i>On the impact of sowing time and sowing density on yield and quality in barley</i> .....	173
<b>PROHAB I., BORCEAN I.</b> - <i>Researches regarding the influence of fertilization on the flower yield of Tagetes sp. (french maryold)</i> .....	177
<b>PROHAB I., BORCEAN I.</b> - <i>The influence of seeding technology on the harvest and on the content of Tagetes patula L. active principles</i> .....	181
<b>RĂDAC ANDREEA MIHAELA, MILIN IOANA ANDA, TOADER COSMINA SIMONA, RUȘEȚ CORINA</b> - <i>Cereal and cereal products' consumption tendencies in Romania</i> .....	185
<b>ROMAN GHEORGHE VALENTIN, TOADER MARIA, MANOUSELIS NIKOS, TSILIBARIS XENOPHON</b> - <i>ORGANIC.EDUNET – a project of European initiative that aims to raise awareness about organic agriculture and agroecology in Agricultural Universities around Europe</i> .....	189
<b>SALCEANU C., VOICA N., OLARU L., BADESCU H.</b> - <i>Comparative researches on the</i>	

<i>behaviour of recorded and recommended hybrids over the A, B and C hybrids as regard the grain yield in Simnic – Craiova zone</i> .....	195
<b>SALCEANU C., VOICA N., OLARU L. , BADESCU H.</b> - Comparative researches on the behaviour of recorded and recommended hybrids over the A, B and C hybrids regarding the bending resistance and drought in Simnic – Craiova zone.....	199
<b>SAVIĆ NADICA, JELIĆ MIODRAG, ĐALOVIC IVICA</b> - The effect of fertilization on grain yield and protein content in the grains of several winter wheat genotypes.....	203
<b>ȘTEFAN VICTOR, ION VIOREL, ION NICOLETA, DUMBRAVĂ MARIN</b> - Researches regarding the behaviour of a sunflower hybrids assortment under the climatic conditions of the years 2006 and 2007, on the reddish preluvo soil from the south of the country.....	209
<b>TABĂRĂ V., DUMA CARMELLA FLORICA, MOLDOVAN CAMELIA - SILVANA (LV. 200)</b> - a new dioic hemp cultivar developed at the SCDA Lovrin (TIMIS county).....	215
<b>TOADER MARIA , ROMAN GHEORGHE VALENTIN</b> - Experimental results regarding nutritional and technological quality of backing cereals.....	221
<b>TODORAN CAMELIA FIRUTA, MORAR G., NEAG CRISTINA MARIA, CHIPER CONSTANTINA</b> - Research regarding the maize seeds germination at the main maize hybrids cultivated in Transilvania.....	227
<b>TRIFU MAGDALENA CAROLINA</b> - Comparative chickpea cultivars and provenance crops in the soil and climate conditions of the Low Mureș Plain.....	231
<b>VÂRBAN DAN I., DUDA MARCEL M., VÂRBAN RODICA, MUNTEAN SORIN</b> - The influence of the nutrition space upon the production, at <i>Calendula officinalis</i> l. specie, in the conditions of Cluj-Napoca.....	235
<b>WAGNER LADISLAU, TABĂRĂ VALERIU</b> - Influence of chemical fertilization on bakery qualities of some autumn wheat races ( <i>Triticum aestivum</i> ), in S.D.E. Timisoara pedoclimatic conditions.....	239
<b>WAGNER LADISLAU, TABĂRĂ VALERIU</b> - Researches concerning yielding capacity of some autumn wheat races ( <i>Triticum aestivum</i> ), under fertilisation influence in SDE Timisoara.....	245
 Section 2 – Meadows and fodder crops	
<b>BÂRLIBA C., MOISUC AL., COJOCARIU LUMINIȚA</b> - Modern topographical methodology employed for the identification and the determination of lawn surface.....	251
<b>BÂRLIBA C., MOISUC AL., COJOCARIU LUMINIȚA</b> - Csing modern cadastral technology for swards identification in criciova village, Timiș country, România.....	257
<b>BOTĂU DORICA, CHIȘ SABIN</b> - The production of some forage beet somaclones.....	263
<b>CORCHEȘ MIHAELA, MOISUC AL.</b> - Aspects regarding vegetation begin and winter access of some species of forage gramineous plants.....	267
<b>DURAU CARMEN, MOISUC AL., TOMODAN IOANA LOREDANA</b> - on the impact of terophyta dynamics on pastoral value of a permanent grassland in the Surduc Lake area Timis county).....	271
<b>HANC-STOIAN ADRIANA, MOISUC AL.</b> - Study concerning the behaviour in winter of some turf mixtures in the conditions of Western Romania.....	275
<b>HARMANESCU MONICA, LAIES DORU, SARATEANU VERONICA, MOISUC ALEXANDRU</b> - The influence of sample particles size on the determination of total nitrogen content from forages by NIR spectroscopy, using minimum reflectance values.....	279
<b>JURAVLE V., MOISUC AL.</b> - L'influence des précipitations sur la production de matière sèche sur une prairie permanente dans les Carpatés Orientales.....	285
<b>MARIAN FLORIN, MOISUC AL., COJOCARIU LUMINITA, HORABLAGA M.</b> - Researches regarding some morphological haracters of production in different phenophases at <i>Trifolium alexandrinum</i> L.....	289
<b>MIHĂILESCU RĂZVAN, MOISUC ALEXANDRU</b> - Le calcul des indices de nutrition – une méthode de réduction des coûts de production sur une prairie permanente.....	293
<b>MOISUC AL., SAMFIRA I., COJOCARIU LUMINIȚA, HORABLAGA M., DURĂU CARMEN CLAUDIA, SĂRĂȚEANU VERONICA, LAIEȘ D.</b> - Influence of fertilisation on the chemical composition of the biomass of grassland from Grădinari (Caraș-Severin county).....	297

<b>MOISUC AL., SAMFIRA I., COJOCARIU LUMINIȚA, HORABLAGA M., DURĂU CARMEN CLAUDIA, SĂRĂȚEANU VERONICA</b> - <i>Vegetation evolution of grassland affected by flooding</i> .....	303
<b>HARMANESCU MONICA, MOISUC ALEXANDRU, RADU FLORINA, GERGEN IOSIF</b> - <i>Total ash content determination from Gradinari (Caras- Severin county) permanent pasture forages using NIR spectroscopy</i> .....	309
<b>SĂRĂȚEANU VERONICA, HORABLAGA M. N., STROIA M. C., BUTNARIU MONICA, BOSTAN C.</b> - <i>Approach on the shrub invasive species impact on Western Romanian grasslands</i> .....	315
<b>SĂRĂȚEANU VERONICA, HORABLAGA M. N., STROIA M. C., BUTNARIU MONICA, BOSTAN C.</b> - <i>Assessing the invasive species impact on the grasslands from Western Romania</i> .....	319
<b>ȘTEFAN CAMELIA, MOISUC AL., SĂRĂȚEANU VERONICA</b> - <i>The study of the comportment of some foreign alfalfa varieties during the first vegetation year under the influence of West Plain conditions</i> .....	327
<b>TOMODAN IOANA LOREDANA, MOISUC ALEXANDRU, DURĂU CARMEN</b> - <i>Aspects concerning the present state of a grassland of Lolium perenne L. and Trifolium repens L. around Fardea (Timis county)</i> .....	331
<b>URDA MARIOARA, SAVATTI M.</b> - <i>Pollination and binding seeds process on di- and tetraploid red clover (Trifolium pratense L.) in Transylvania's conditions</i> .....	335

### Section 3 – Plant protection within integrated production

<b>ADAM FLOAREA, POPESCU GHEORGHE, GROZEA IOANA</b> - <i>Stigmatrophic activity a new pest Diabrotica virgifera virgifera Le Cont connected within a „Pioneer“ maize diversity</i> .....	337
<b>ADAM FLOAREA, POPESCU GHEORGHE, PÎRȘAN PAUL</b> - <i>„Pioneer“ maize hybrid production in relationship with the tandem „pathosystems – the new pest Diabrotica virgifera virgifera Le Conté”, in the Western part of the country</i> .....	343
<b>BOJA F., BOJA N., TEUȘDEA A.</b> - <i>Trying and issues concerning the fitosanitary treatments, with perfectionate disposable with spraying</i> .....	349
<b>BORCEAN ADRIAN, MOLNAR LEVENTE</b> - <i>Behavior of a wheat assortment to the attack of the main foliar diseases between 2006-2007</i> .....	357
<b>BORCEAN ADRIAN, MANEA DAN</b> - <i>The behavior of a sunflower assortment at the attack of the main pathogens under the conditions from Didactic Station of U.S.A.M.V.B. Timișoara</i> .....	361
<b>CIOBANU CORNELIA</b> - <i>The weed control strategies of Apera spica-venti in wheat crops</i> .....	365
<b>CIOBANU CORNELIA, CIOBANU GHE., VUȘCAN A.</b> - <i>The influence of some herbicides on weed degree decreasing and the influence on maize yield in the North - Western part of Romania</i> .....	371
<b>SNEJANA DAMIANOV, GH. SIMERIA, OTILIA COTUNA, LAVINIA MICU</b> - <i>Research on the impact of the foliar bio-fertiliser Bionat Plus on potato resistance to the attack by the colorado beetle (Leptinotarsa decemlineata) and on potato yield in the Banat hill area</i> .....	375
<b>DINUȚĂ ADRIAN, BUNESCU HORIA, BODIS ILONKA, POP OANA</b> - <i>Researches concerning the morphological aspects of sexual dimorphism in the granary weevil (Sitophilus granarius L.), major pest of the stored cereals</i> .....	379
<b>ĐALOVIC IVICA, MILOŠEVIĆ D., MACÁK M., TYR Š.</b> - <i>Impact of weed control on potato infestation and yield</i> .....	385
<b>DRĂGUNESCU ANCA ANETA</b> – <i>The influence of some cultural practices on weed extent in the grapevine plantation of SD Timișoara</i> .....	389
<b>FĂRCĂȘESCU ALINA, LAUER K. F., ARSENE G. G., NEACȘU ALINA</b> - <i>L'infestation des champs de blé par les mauvaises herbes dans le département de Timiș (2006-2007)</i> .....	395
<b>FERICEAN LIANA MIHAELA, PĂLĂGEȘIU I.</b> - <i>Researches regarding the spreading degree of the main aphid species in experimental fields from STN Timișoara</i> .....	399
<b>FERICEAN LIANA MIHAELA, PĂLĂGEȘIU I., ZEPA CRISTINA</b> - <i>Researches regarding the influence of zone ecological concerning the potato aphid fauna dynamics from S.D Timișoara and Varfurile</i> .....	405
<b>FODOR ECATERINA, TEUSDEA ALIN, HĂRUȚA OVIDIU</b> - <i>Branching patterns in fungal</i>	

<i>hyphae during the colonization of Quercus cerris and Quercus petraea litter</i> .....	411
<b>FORA C.G., LAUER K.F.</b> - <i>Pineus Strobi</i> Htg. (Homoptera, Adelgidae), a pest of <i>Pinus strobes</i> .....	419
<b>FORA C.G., LAUER K.F.</b> - <i>The effect of the insecticide Neemazal-T/S on Ilymantria dispar L. caterpillars</i> .....	423
<b>IORDĂNESCU OLIMPIA, SIMERIA GH., DAMIANOV SNEJANA, MICU ROXANA</b> - <i>Controlling Cydia pomonella in the Pioneer apple tree variety in conditions of the Didactic Station Timisoara</i> .....	427
<b>JIVAN ALIN, PĂTRUICĂ SILVIA, POPESCU GH.</b> - <i>Research concerning the influence of chemic products in the combat of insects in the colza culture and the bees families in the year 2007</i> ....	431
<b>JIVAN ALIN, PĂTRUICĂ SILVIA, POPESCU GH.</b> - <i>Studies regarding the influence of chemical pesticides in combating the pests from the sun flower fields, upon the decrees of the bee families in the years 2006-2007</i> .....	437
<b>MICU LAVINIA, PETANEC D., RADU FLORINA, PĂLĂGEȘIU I.</b> - <i>Research on the amino-acid changes in the wheat grain after infestation by Rhizoperta dominica</i> .....	445
<b>OLTEAN I., BUNESCU H., PĂRĂU TEODORA, BODIȘ ILOŃKA</b> - <i>The evaluation of the results in fighting of apple worm Cydia pomonella in field conditions , by „attract and kill” method</i> ...	451
<b>OLTEAN I., OROIAN I., PĂRĂU TEODORA, BODIȘ ILOŃKA</b> - <i>The supraspreaders effect Silwet L-77 in insecticides solution on potato crop</i> .....	455
<b>OROIAN I.</b> - <i>The correlation between the Septoria spp. pathogen attacks and different contents in wheat grains</i> .....	459
<b>OROIAN I.</b> - <i>Relations of simultaneous manifestation at the main wheat mycosis related with the production obtained</i> .....	465
<b>PETANEC DORU, MICU LAVINIA, MURG GH., DAMIANOV SNEJANA</b> - <i>Research concerning the attack by Phylloxera vastatrix Planchon on vine in the Timiș county in 2007</i> .....	469
<b>POPESCU GH., ADAM FLOAREA, GROZEA IOANA, ORIOL IRINA</b> - <i>Relationship between the maize pest Diabrotica virgifera virgifera Le Conté and the climatic factors, trough modern statistical analysis Anova (Bravais – Pearson) in the Western part of Romania</i> .....	473
<b>POPESCU GH., ADAM FLOAREA, ORIOL IRINA</b> - <i>Interaction between the maize pathosystem components and the climatic factors, through Anova-type analysis and correlations Bravais – Pearson</i> .....	481
<b>SMATANA JOZEF, MACÁK M., VEREŠ T.</b> - <i>Effect of forecrop on weed infestation of Helianthus annuus in the Slovak Republic</i> .....	489
<b>SMATANA JOZEF, MACÁK M., DEMJANOVÁ E., DJALOVIĆ I.</b> - <i>Weed control of sugar beet in integrated farming system</i> .....	493
<b>TALMACIU MIHAI, TALMACIU NELA, DIACONU ALECU</b> - <i>Research regarding the epigeous coleopterans fauna from the apple tree plantations</i> .....	497
<b>TALMACIU MIHAI, TALMACIU NELA, DIACONU ALECU</b> - <i>New contributions to the knowledge of Carabidae species (Coleoterans – Carabidae) from the apple tree plantations</i> .....	503
<b>TALMACIU NELA, TALMACIU MIHAI, ARTENE IRIMIA</b> - <i>Dynamics and frequents attacks the of leaf mining moths from apple plantation belonging in Husi, Vaslui</i> .....	509
<b>TANÁCS LAJOS, BENEDEK P., MONOSTORI T., BODNÁR K.</b> - <i>Pollinating insect assemblages of seed onion fields at the traditional onion growing area of Makó</i> .....	515
<b>TEUȘDEA ALIN, CSEP NICOLAE</b> - <i>Computer assisted image analysis of the lesion's extension in the foliage of the winter wheat produced by fungal pathogens and insect pests</i> .....	521
<b>TÝR ȘTEFAN</b> - <i>Actual weed infestation of maize in the integrated agricultural system in the years 1997-2006</i> .....	527
<b>TÝR ȘTEFAN</b> - <i>Weed infestation of winter wheat with monocotyledons weeds in the integrated agricultural systems in the years 1997-2006</i> .....	533
<b>ZEPA CRISTINA, PĂLĂGEȘIU I., FERICEAN MIHAELA</b> - <i>The evolution of the thrips populations (Frankliniella occidentalis) of the tomatoes in the greenhouses from agricultural society Agro-Dor., from Dorobanți locality, Arad district</i> .....	539
 Section 4 – Ecological restoration and the management of the rural and environment	
<b>CERNUȘCA LUCIAN</b> - <i>Green accounting –a step towards improving the environment</i> .....	547

<b>CHISALITA ION, HERNEA CORNELIA, CALINESCU ALINA</b> - <i>The influence of the forest vegetation from the mining fields in Moldova Nouă on the microclimate changes</i> .....	551
<b>CHISALITA I., VIȘOIU DAGMAR, CONSTANTINESCU ALINA</b> - <i>Studies over the growing forest vegetation on the mining fields in Moldova Nouă</i> .....	557
<b>CONSTANTINESCU ALINA, VIȘOIU D., DRAGOMIR P., ȘTEFAN C.</b> - <i>Arrangement of the Murani private property</i> .....	563
<b>CSEKE-KREPPPEL L., BORZA I.</b> - <i>Results concerning the sustainment of vegetal production and reduction of environmental impact by foliar fertilization</i> .....	567
<b>DANCEA LUCREȚIU, MERCE IULIANA</b> - <i>Factors influencing eco-rural development in Romania</i> ..	573
<b>DANCEA LUCREȚIU, MERCE IULIANA</b> - <i>The concepts of tourism, rural development and ecotourism in the U.E.</i> .....	577
<b>FLORESCU AURELIA VASILICA</b> - <i>An elaboration of a developmental model of ecological agriculture</i> .....	581
<b>IOAN GAICA, IACOB BORZA</b> - <i>Results regarding setting of vegetation on the sterile dump areas from the Anina and Doman mines, Caras-Severin county</i> .....	585
<b>GAMENȚ EUGENIA, PLOPEANU GEORGIANA, VRÎNCEANU NICOLETA, CARABULEA VERA</b> - <i>The lead phytoextraction and the edta-induced hyperaccumulation. Cycle I</i>	589
<b>GÂRBEA HORIA, CÎMPEANU SORIN</b> - <i>An anthropic concept of the environmental engineering</i>	595
<b>HERNEA CORNELIA, CHISĂLIȚĂ I., DRAGOMIR P.I., POȘTA DANIELA SABINA</b> - <i>The establishment of the forest vegetation on the perimeter of the amelioration halda veche - Valea Mare</i> ..	599
<b>HERNEA CORNELIA, VIȘOIU DAGMAR, CHISĂLIȚĂ I., DRAGOMIR P.I.</b> - <i>The comparative study of afforestation in the perimeters of the amelioration Calina and Bocșa, Caras Severin county</i> .....	603
<b>HORABLAGA ADINA, HORABLAGA N. M.</b> - <i>The influence of anthropic activities in the area of the Sannicolau Mare town</i> .....	607
<b>HORABLAGA ADINA, HORABLAGA N. M.</b> - <i>The influence of ruttier traffic on residential areas in Timisoara municipality</i> .....	611
<b>LUCA E., NAGHIU LIVIA, ONCIA SILVICA, ROMAN CECILIA, ROMAN M., LUCA LAURA, PUȘCAȘ ANCUȚA</b> - <i>The sources of pollution in the Iara basin</i> .....	615
<b>MĂRĂCINEANU F., CĂZĂNESCU S., CONSTANTIN ELENA, SEMCU A.</b> - <i>Present stage and prospects regarding the exploitation of the soils with excess moisture in Romania</i> .....	621
<b>MĂRĂCINEANU F., CĂZĂNESCU S., CONSTANTIN ELENA, BOZIANU CATALINA</b> - <i>The antropic degradations of natural environment and their remedy</i> .....	627
<b>MARINESCU MARIANA, DUMITRU M., LĂCĂTUȘU ANCA</b> - <i>Bioremediation of polluted soils with petroleum hydrocarbons</i> .....	631
<b>MIHALACHE M., DUMITRU M., ILIE L.</b> - <i>Researches concerning the heavy metal translocation from the sewage sludge in soil and plant</i> .....	637
<b>OLIMPIA MINTAȘ</b> - <i>Climate changes in the past millenium</i> .....	643
<b>NASUI DELIA, CURETEANU RADU</b> - <i>A review on environmental indicators and management</i> ....	649
<b>NASUI DELIA, CURETEANU RADU</b> - <i>Environment and decision making</i> .....	653
<b>PĂNOIU IOANA, GRIGORE LUMINIȚA, UDRESCU S., SIMOTA C.</b> - <i>The soil and water quality monitoring system regarding the nitrate content from agricultural sources</i> .....	657
<b>POPA VERONICA, BORZA IACOB</b> - <i>Results of the studies on the causes favouring the desertification risk in the Banat Plain</i> .....	663
<b>POPESCU M.</b> - <i>Degradation of grounds by suffusion within the eastern sector of the Southern Baragan</i> .....	669
<b>RĂDULESCU HORTENSIA, TAUBERT LIDIA, ȘTEFANOVITS – BĂNYAI EVA</b> - <i>Utilization of the magnesium manufacturing industry waste in the fertility improvement of acid soils</i> ..	675
<b>FORTUZI SHKELQIM, TOTA ODETA, SALLAKU FATBARDH, MUSBELLIU BAHRI</b> - <i>The impact of land reforms in land use changes and environmental situation in Albania</i> .....	679
<b>ȚĂRĂU D., BORZA I., IORDACHE MĂDĂLINA, BĂGHINĂ N., DICU D.</b> - <i>The influence of agrometeorological conditions on some agroecosystems components from the Vinga Plain in no-till cultivation system</i> .....	689

ZĂPÂRȚAN MARIA, MINTAȘ OLIMPIA, MOZA ANA, AGUD ELIZA - *Agrometeorology – a prospect science in the european agriculture*..... 695
