

## CONTENTS

BABUȚ CARMEN, MANEA DAN - <i>Chemical control strategies of Rubus caesius L. in grain maize</i> .....	3
BĂBUȚIU LEONTINA, DAVID GHEORGHE - <i>Research concerning the impact of sowing period on White lupin (Lupinus albus L.) cultivated for grains in the western Romania hill area</i> .....	8
BĂBUȚIU LEONTINA, DAVID GHEORGHE - <i>On the impact of row distance and of sowing density in White lupin (Lupinus albus L.)</i> .....	11
COLTAN NICOLAE OCTAVIUS, CIOLAC VALERIA - <i>Research on the geodetic networking thickening by GPS measurements in Lugoj town</i> .....	14
COLTAN NICOLAE OCTAVIUS, CIOLAC VALERIA - <i>Performances in the drawing highways by RTK</i> .....	17
CORCHEȘ MIHAELA, MOISUC ALEXANDRU - <i>The dynamics of phenophases of some foreign Lolium perenne varieties in the Timisoara's pedo-climatic conditions</i> .....	22
COTEANU VIORICA, PĂLĂGEȘIU IOAN, RADULOV ISIDORA - <i>Preliminary research concerning the effects of insecticide treatments on some soil parameters in truck farming</i> .....	26
CULHAVI CLAUDIA, MANEA DAN - <i>Controlling the perennial species Convolvulus arvensis L., a problem-weed in winter wheat</i> .....	32
DICU DANIEL, BORZA IACOB, ȚĂRAU DORIN - <i>Dynamic of some physical and chemical properties of a cambium chernozem from Vinga plain in conservative and conventional tillage of soil</i> .....	38
DOMONKOS MÓNKA, SCHMIDT BRIGITTA, LIBISCH BALÁZS, POLGÁRI MÁRTA and BORBÁLA BIRÓ - <i>Growth and mycorrhizal colonization of four grasses in a mn-amended low quality sandy soil</i> .....	44
DRAGOȘ MARCELA , PÎRȘAN PAUL - <i>Research concerning the influence of sowing period and sowing density on the protein, gluten and starch content of autumn wheat in western Romania</i> .....	51
DRAGOȘ MARCELA , PÎRȘAN PAUL - <i>Research concerning the influence of sowing period and row distance on the number of spikes and the number of plants on a square meter of autumn wheat in western Romania</i> .....	57
GOGAN ALINA, GROZEA IOANA, VIRTEIU ANA MARIA - <i>Metcalfa pruinosa Say (Insecta: Homoptera: Flatidae) - First occurrence in western part of Romania</i> .....	63
GROS DANIEL, VUKASIN BUCUR, IMBREA FLORIN - <i>Research concerning maize cultivation technology specific to the permanent vegetal cover system in the conditions of the western plain (Romania)</i> .....	68
GROS DANIEL, VUKASIN BUCUR, IMBREA FLORIN - <i>Research concerning the effect of low-frequency electromagnetic radiation on moisture and weight features in maize seeds</i> .....	72
JURJESCU ADELA, PÎRȘAN PAUL - <i>The influence of total doses, time and splitting of nitrogen on the grain protein content of two row spring Barley (Hordeum vulgare L., conv. Distichum Alef.)</i> .....	76
JURJESCU ADELA, NIȚĂ SIMONA, DAVID GHEORGHE, PAUL PÎRȘAN, SIMION ALDA - <i>The behaviour of some varieties of pea, soybean and lentils concerning the</i>	

<i>relationship bacteriyation-sowingperiod on the yield and quality in Timiș plain.....</i>	82
LUCA SORIN, TABARA VALERIU - <i>Quantifying some productivity elements in reaching yielding potential in six Pioneer maize hybrids under the impact of sowing density in the soil and climate conditions of the Aradului plain (Semlac, Arad county).....</i>	88
LUPU BIANCA ANDREEA, IONESCU CATALIN FLORIN, BORZA IACOB - <i>Evolution of a different crop plants grown under climatic conditions of the Banat plain.....</i>	96
LUPU BIANCA ANDREEA, IONESCU CATALIN FLORIN, BORZA IACOB - <i>The phenomenon of drought and it's effects within Romania.....</i>	102
MOLDOVAN SEBASTIAN, DAVID GHEORGHE - <i>Stage concerning the influence of sowing technology on the Cicer arietinum L. yield.....</i>	110
MOLDOVAN SEBASTIAN, DAVID GHEORGHE - <i>Fertilization effect concerning the yield and quality indicators for Lens culinaris L.....</i>	113
MUNTEAN CLAUDIA XIMENA, PĂLĂGEȘIU IOAN - <i>Research concerning the remanent character of some insecticides in lettuce (Lactuca sativa) roots cultivated in protected areas.....</i>	116
NEDELICU CARMINA - ANA, LAUER K.F., RAMONA ȘTEF - <i>Chemical control with herbicides at species Ambrosia artemisiifolia in Timisoara.....</i>	122
PRODAN MONICA, DĂNEȚ CARMEN, IMBREA ILINCA - <i>Family Lamiaceae: main valorisable medicinal and aromatic species in the Aninei mountains (Caras-Severin county, Romania).....</i>	129
RADU EMIL, CRISTEA STELICĂ, ZALĂ RELU CRISTINEL - <i>Researches regarding the Alternaria brassicae fungus biology.....</i>	133
ROSCULET (CAS. BABA) LILIANA, TABARA VALERIU - <i>Agrofield influence on seeds weight to some species of cotton (Gossypium hirsutum sp.) in weather conditions from Timisoara in the year 2008.....</i>	138
ROSCULET (CAS. BABA) LILIANA, TABARA VALERIU - <i>Investigations concerning seeds production to some cotton species (Gossypium hirsutum sp.) under agrofield influence in the weather conditions from Timisoara in the year 2008.....</i>	146
SARCINĂ LAURENȚIU, BOTOȘ LUCIAN - <i>On the impact of soil type and of technological works on maize yield at Columirom S.R.L.....</i>	152
SCHMIDT BRIGITTA, DOMONKOS MÓNKA, ȘUMĂLAN RADU, BIRÓ BORBÁLA - <i>Suppression of arbuscular mycorrhiza's development by high concentrations of phosphorous at Tagetes patula L.....</i>	156
UNGUREANU CLAUDIA MIHAELA, TABARĂ VALERIU - <i>Research on behavior of sunflower hybrids to create new company Limagrain under the influence of chemical and foliar fertilization in conditions of Timisoara.....</i>	163
UNGUREANU CLAUDIA MIHAELA, TABARĂ VALERIU - <i>Research on the influence of chemical and foliar fertilizers on the content of oil in a three achenes sunflower hybrids in terms of Timisoara.....</i>	168
VUIA NICOLAE, PALICICA RADU - <i>Study on behavior of dairy cows kept unbound in closed shelter with rest berths from BUASVM Timisoara Didactic Station.....</i>	174
ZERBEA C.V., SALA FLORIN - <i>Impact of mineral fertilisation on plant size and on fall in winter wheat.....</i>	182
